## Parent Authorizations and Policies

To the best of my knowledge this information is correct, and the individuals herein described have permission to engage in all camp activities unless restrictions are noted.

Realizing that a sudden illness or accident may happen to a camper, I hereby ask AMSE to use their best judgment in such cases in caring for my child/children. In the event I cannot be reached in an emergency, I hereby give permission to the physician selected by AMSE to secure and administer treatment, including hospitalization, for my child/children. I authorize AMSE to provide or arrange necessary transportation for my child/children. I further understand that camp fees do not include accident or illness insurance and **neither AMSE nor EASI (Enterprise Advisory Services, Inc) is responsible for any expenses incurred**, and I agree to release any records necessary for insurance purposes. A completed Health Information and History for each camper is required prior to participation. I give permission for my child to have sunscreen applied.

I give permission for use of my child/children in promotional photographs and/or videos. I give permission for my child/children to be interviewed, photographed, and/or video taped by the news media, including newspaper, television, and/or radio, for AMSE/camp community interest stories.

I have read and understand that tuition is due at the time of registration and AMSE reserves the right to cancel enrollment if fees are not paid. **I understand that I may receive a full refund if I cancel a session more than three weeks prior to the start date of the camp session, and that no refund is offered after the three week cut off date.** I understand that it is my responsibility to contact AMSE in the event I must cancel a session of camp. I understand there is no refund should my child/children be sent home for not complying with AMSE and camp rules.

These authorizations and policies constitute the full understanding of the parties hereto and no change, modification or waiver of any of these authorizations and policies shall be effective unless in writing and signed by both parties.
